

HOUSING SEARCH RESOURCES

Subsidized Housing

To find subsidized housing options (like landlords who accept vouchers and income-based housing), visit <https://www.tnhousingsearch.org>.

Go to “Advanced Search,” click on **Nashville**, and scroll down to “Other Search Options.” Click on “**Income Based or Sliding Scale Rent**” and then click the search button. The results will list affordable housing options.

Check for open waiting lists for **Section 8** and **Public Housing** at <https://www.rentcafe.com/onlineleasing/mdha/guestlogin.aspx>.

Whenever the **waiting lists are open**, it’s a good idea to **apply to every complex you’re interested in**. Unfortunately, these lists don’t open very often, and it can take a very long time to get a spot.

Housing for Seniors and People with Disabilities

To find affordable housing for seniors (ages 62+) and people with disabilities, visit <https://directory.agewelltn.org/s/housing/subsidized>. **Choose the counties** that you are interested in, and a **list** will generate. On the **right side of the bar**, you can choose “**printable list view**” for a clear list of options that you can call!
